

# Don't make it harder to live in Larder!

## Bring Back the LCBO

OPSEU members at the LCBO have a commitment to customer service and to selling alcohol responsibly. We believe you should have access to an LCBO store whether you live in downtown Toronto or northern Ontario.

We also believe it's the job of a Crown corporation to support local economies, to help them thrive.

**The people of Ontario built the LCBO,  
paid for the LCBO, and own the LCBO.**

**Bring back the LCBO to Larder Lake.**
