

## Anti-Racism Directorate

Leads the government's anti-racism initiatives to build a more inclusive society, and works to identify, address and prevent systemic racism in government policy, legislation, programs and services.

# FEBURARY 23, 2018

6-9 P.M.

## BLACK HISTORY FORUM: *Promoting health equity in racialized communities*

This event will provide the opportunity to explore racial disparities in health and work, especially the link between good jobs, income and well-being for racialized communities. We also investigate whether legislative changes like Bill 148 go far enough in addressing income disparities and health outcomes for racialized communities.

## SPEAKERS
