

Unified Local Priorities Form 2021

The following table has been created to assist local Presidents in prioritizing their local demands at a local demand-set meeting. Once the demands have been voted on and passed by the local, please incorporate the results into the table provided below.

This table will become very useful when priorities are to be completed on-line.

Local Presidents will be sent a unique web link email for your local to submit your top ten local priorities. The email will come from STRATCOM and the email is: surveys@stratresearch.ca so please also look in your junk folder.

A reminder that the deadline for on-line prioritizing is **May 7, 2021**.
